¹ FERS - European Funds for Social Development 2021-2027

Why NAWA system

The NAWA on-line system was developed to process digital project applications² submitted both by the applicants and project participants financed from the European Social Fund +.

The system helps NAWA to collect necessary data of the project participants³, as set out in the Implementation Act.

The system allows the participants to submit their application forms by using the link⁴ provided by the recruiting institution.

In order to use the system, first you need to register and activate your account⁵.

How to register

First, enter the NAWA Programs webpage: [Login](#)
