

The Applicant's obligation template regarding the employment of the Visiting Scientist and members of the Project Group

In connection with my application to participate in the NAWA Chair Programme, I state that, if funding is granted under the Programme, I undertake to do the following:

1. employ the Visiting Scientist on the basis of an employment agreement for the entire period of the Project implementation in an independent research or research and didactic position within the organizational structure of the unit (establishment of a chair, research laboratory, research centre, etc.), in accordance with Article 119(2)(2) of the Higher Education and Science Law; in the number of hours as set forth in the application for the participation in the Programme; I undertake to send a scan of the employment agreement concluded with the Visiting Scientist to PNAAE no later than 30 days after its signing;
2. pay the Visiting Scientist a mobility allowance of PLN 20,000.00 to their private bank account within 30 days of the conclusion of the agreement;
3. in the event of the members of the Project Group selected in the bid procedure, which should be carried out taking into account the recommendations of the European Commission laid down in the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers, employ them based on an employment agreement;
4. ensure that the Visiting Scientist and the Project Group have access to the scientific and research equipment and infrastructure necessary to conduct the research stipulated in the application, as well as provide the necessary office and laboratory space;
5. provide administrative and financial handling of the project, including matters related to the arrival of the Visiting Scientist and the establishment of the Project Group;
6. support the Visiting Scientist and the Project Group in applying for funds for scientific research or development work, in obtaining required approvals, opinions, permits, including applying to appropriate ethics committees;
7. in case a Research Component of the National Science Centre (NCN) is planned in the Project, submit an application to the NCN in order to be granted funding, and in case of receiving funding – support the Project Group in the implementation and provide administrative and financial handling related to the implementation of this part of the Project.
