

Statement Template of the Visiting Scientist

I state that:

- a) I accept the Announcement on the call for applications for the participation in the NAWA Chair Programme 2022;
- b) I have the competences stipulated by the European Commission in the “Research profiles descriptors” corresponding to the [Leading Researcher](#) level;
- c) within the 3-year period prior to the Announcement on the call for applications, I did not work in Poland (work in Poland is understood as work performed on the territory of the Republic of Poland, including in particular: employment under an employment agreement or management of a research grant with an affiliation of a Polish unit, if remuneration was paid on this basis) and I did not live in Poland;
- d) if I start working in Poland after submitting my application for participation in the Programme and before receiving the decision of the PNAAE Director, I will inform the Polish National Agency for Academic Exchange and the Applicant about this fact. At the same time, I acknowledge that this entails the inability of the Polish National Agency for Academic Exchange to grant funding to the Project;
- e) all information related to me, presented about me in the application for the participation in the Programme, in particular information about my academic achievements, publications and employment, are true;
- f) I have participated in the preparation of the application for the participation in the Programme together with the Applicant, and I undertake to implement the Project in its full scope specified as the application for the participation in the Programme, if the Project is granted funding.
